Town of South Windsor
Connecticut

Zoning Map

Date Printed: October 15, 2003

0 6000 Feet

Property boundaries are derived from the Town of South Windsor Tax Assessor maps, digitized at a scale of 1 inch = 100 feet, and include the same data limitations and disclaimer as the Assessors maps. All other data portrayed is representation only and, due to inherent mapping limitations, should be used as a guide only. The intent of this map is to present a graphical representation of property boundaries and selected data, and the map is subject to change as more accurate surveys may disclose. Property boundaries mapped as of June 4, 2001.
