

Sustainable CT
Local Actions. Statewide Impact.

South Windsor “Sustainable CT” Kick Off

for all members of South Windsor

Boards – Commissions – Committees

in concert with South Windsor Town Staff

April 30, 2018

7:00 pm to 9:00 pm

Town Hall Council Chambers

Sustainable CT is an initiative by the Institute for Sustainable Energy established by Eastern Connecticut State University and the Connecticut Conference of Municipalities. South Windsor will work to become certified as a Sustainable Community and strive to be thriving, resilient, collaborative and forward looking. Together we will promote the health and well being of current and future residents

Please RSVP on or before April 26, 2018 to

Ashley Booth at Ashley.Booth@southwindsor.org (860-644-2511 x208)

or

Deborah Reid at Deborah.Reid@southwindsor.org (860-644-2511 x206)
